LEARNING OBJECTIVES:

- To understand the historic relationship between India and Pakistan.
- To summarize and contextualize the events and opinions surrounding the partition of India
- This paper will help the students to understand the Indian history where literature plays a very important role. They will be able to grasp the ideas of partition and human resistance in a much meaningful manner.
- The paper ensures that the students learn the changes in political, social, economic and cultural scenario happening during this chronological span. It will also teach them how to study sources to the changing historical processes.

LEARNING OUTCOMES:

- Students will learn about the history of the partition of India. They will be introduced to various perspectives of the National movement and will contextualize and summarize each.
- Students will be able to develop an understanding of the writer's deep feelings about the partition over a period of time and over the different time periods.
- This course will inspire students to be sensitive towards humanity.
