LEARNING OBJECTIVES:

- To learn the origin of Sufism, philosophy of Sufis and relevance of that philosophy in the contemporary scenario.
- To understand the ideological and philosophical background of Sufi Poetry.
- It will help the students to understand how the Sufis changed socio-religious structure of Punjab through their spiritual experiences.

- To analyse dialogue of Sufi poetry with dominated thought systems.
- To interpret literary texts from various perspectives by using close readings supported by textual evidence, and informed by critical theory.

LEARNING OUTCOMES:

- Students will be able to understand the ideology and philosophy of Sufi poetry.
- Students will learn to evaluate existing criticism available in the subject.
- Students will be able to interpret Sufi poetry within a historical and social context
- They will be able to learn about Sufi mysticism, different school of Sufism and Islamic philosophy.
- They will develop the sense of awareness about the environment and they will realize the inter-relationship between man and environment by a close reading of Sufi poetry.
