Basic Telugu	02	02	0	0	For students who have not studied the language	NIL

Learning Objectives

The course aims to teach basic language skills in Telugu, and it intends to facilitate students in acquiring foundational skills of reading, writing and speaking in Telugu along with synonyms to expand vocabulary. This course is divided into three units, and it will cover the basic language structures, the activities and functions generally explored by a beginners' syllabus, i.e. learning Telugu syllables, making simple sentence construction and using the same sentences with fellow students; it goes further, covering situations such as working, studying and including materials focused on the Telugu media, i.e., cinema, television, the press and advertising. Regarding grammar structures, the exercises are at the primary level only.

Learning outcomes:

The course will enable the students to obtain the basic skills of reading, writing and speaking in Telugu, along with building a primary vocabulary. After completing the course, they can read and construct simple Telugu sentences, figure out words with conjunct characters, and learn functional, everyday conversation in different language usage situations. Students interact with classmates by using simple sentences about their daily routine matters on official and informal occasions.
