NOTIFICATION

Addition to Ordinance VIII & IX
[EC Resolution No. 7-34 dated 23.05.2025]

In continuation to the Notification No. CNC-II/093/1(22)/2022-23/ dated 10.02.2023, following is notified with regard to the cumulative improvement of marks by the Students under UGCF :

- a. (i) A student who has passed in a course/paper in an earlier semester, but wishes to improve the marks of both the theory (written exam marks) and Internal Assessment (IA) but excluding the attendance component of the IA, may be allowed to carry forward their previous attendance marks of IA and improve upon the rest of the two components i.e. Class Test and Assignment by re-registering for the course/paper and learning through self-study mode.
- (ii) To 'Re-register' for a course/paper means to formally inform the College authority by a student of his/her intent to improve a course/paper. College may create a proforma /Google Form to seek such information from the students and may charge a very nominal fee (maximum Rs. 100/-) to systematize the process.
- b. To overcome the issue of overlapping of the classes of the current semester and that of the class timings of the course of an earlier semester which a student wishes to improve the marks cumulatively, the following are proposed as per the deliberations:
- (i) Holding of classes of such students from 6 to 8 pm OR on Saturdays or Sundays or both the days
- (ii) In case of less number of students who wish to improve the marks of a course/paper in a College, Colleges can cluster together and hold classes of such course(s)/paper(s).
- (iii) Faculty members of the College who take classes for these students at the timing or days mentioned in point 4. (b) (i) may be paid honorarium as per norms of the University if they take such classes over and above their prescribed workload in the College. However, a faculty member may be permitted to teach a maximum of four credits in a semester for such students.
- c. For the sake of avoiding any confusion whatsoever, it is reiterated that as per Ordinance IX (2), improvement of marks obtained in a course/paper can be made in the immediately succeeding odd/even semester only. However, if a student has got an 'Essential Repeat' in a course/paper in the relevant semester, he/she may be allowed to appear for that paper and improve the components of that paper till the time he/she passes that course/paper. For instance, if a student fails in a course of semester I, he/she has to repeat in semester III, but if he/she again fails in that course/paper in semester III, then he/she shall be allowed to appear again in semester V.
